

## Thank you for participating in Jazz Unlimited 2017!

I hope you had an excellent experience at the festival. If not, let me know, I'd be glad to receive your feedback. Thanks for all of your patience with our brown and black outs. It will be a long lasting memory of jazz day 2017. Dawn McCormick would like me to continue sending daily emails, but I think I'll pass. ☺

This file contains PDFs of the results from vocal weekend of the festival.

You should find digital audio of your performances and judges' comments for all groups that you or your co-directors brought this weekend in the Dropbox folder whose link I sent you previously. If you need this resent, please contact me. Please download for whatever future use, as these files will eventually be deleted from our Dropbox

If there were errors on any certificates, please let us know. We can correct and mail them to you. Any left-over score packets have been mailed out to you already. If you have comments, suggestions, etc.; please don't be afraid to contact us.

There were some lost and found items. Contact us if you're missing anything.
