

Thank you for participating in Jazz Unlimited 2019!

I hope you had an excellent experience at the festival. If not, let me know, I'd be glad to receive your feedback.

[This file contains PDFs of the results from vocal weekend of the festival.](#)

You should find digital audio of your performances and judges' comments for all groups that you or your co-directors brought this weekend in the Dropbox folder whose link I sent you previously. If you need this resent, please contact me. Please download files that you want to keep for whatever future use, as these files will eventually be deleted from our Dropbox

If there were errors on any certificates, please let us know. We can correct and mail them to you. Any left-over score packets have been mailed out to you already.

There were some lost and found items. Contact us if you're missing anything.

If you or any of your students would still like T-shirts or FreeForm CDs, just send a check (\$10ea) made out to CBC Music and a list of what you need and we'll mail them to you.
